Subject: Invitation to participate as a "resource person" for the training on Health Systems Research and Evidence Informed Health Policy Making, July 18-20, 2017

Dear Dr. Haque,

We are pleased to inform you that in collaboration with the Planning and Research, DGHS, the European Union supported 'SHARE' *(Strengthening Health, Applying Research Evidence)* project of icddr,b is going to organize a training program on "Health Systems Research and Evidence Informed Health Policy Making" in Jessore, where district and upazila level health managers and medical officers are expected to participate. Objectives of this training program include: an introduction to evidence informed policy making; acquiring, reviewing and appraising evidence; using evidence to assess and formulate policy options and program responses; use of the management information system data through DHIS2 platform of DGHS etc.

This is a residential training program scheduled to be held between 18-20 July, 2017 and the venue would be the Seagull Hotel, Cox's Bazar.

You are cordially invited to conduct a session as a "resource person" scheduled to be held on 20th July 2017 from 11.30 am to 12.30 pm and the session title is "Presentation on Chowgacha Model".

Thank you.

Sincerely yours,

ATM Iqbal Anwar, MBBS, MPH, DrPH
Scientist and Project Director
