Subject: Invitation to participate as a "resource person" for the training on Health Systems Research and Evidence Informed Health Policy Making, Sylhet, December 05-07, 2017

Dear Mr. Khoka,

We are pleased to inform you that in collaboration with the Planning and Research, DGHS, the European Union supported 'SHARE' *(Strengthening Health, Applying Research Evidence)* project of icddr,b is going to organize a training program on "Health Systems Research and Evidence Informed Health Policy Making" in Sylhet, where district and upazila level health managers and medical officers are expected to participate. Objectives of this training program include: an introduction to evidence informed policy making; acquiring, reviewing and appraising evidence; using evidence to assess and formulate policy options and program responses; use of the management information system data through DHIS2 platform of DGHS etc.

This training program scheduled to be held between December 05-07, 2017 and the venue would be Hotel Metro International, East Bandar Bazar, Sylhet.

You are cordially invited to conduct a session as a "resource person" scheduled to be held onDecember 07, 2017 from 12.15pm to 12.45 pm and the session title is "Innovative health systems model:Experience fromJheinadah."

Thank you.

Sincerely yours,

ATM Iqbal Anwar, MBBS, MPH, DrPH
Scientist and Project Director
