Memo no: - 45.05.0000.006.31.002.21.

Subject: Invitation for the dissemination workshop on "Public Expenditure Tracking survey (PETS)" and " A primary Health Care performance initiative assessment"

The Health Economics Unit (HEU) has conducted a survey titled "Public Expenditure Tracking Survey-2019" with financial and technical assistance from the World Bank. The PETS exercise focuses on assessing the performance of the overall health sector budget and resource allocation at district level and below. This survey aims to highlight bottlenecks to effective use of resources throughout the service delivery system. The World Bank also conducted an independent assessment study titled "A Primary Health Care Performance Initiative Assessment" with PHCPI (Primary Health Care Performance Indicator) which shares common objectives with PETS. Dissemination workshop for both studies has been arranged on 28 September at 9 am at the Ballroom of "Hotel Intercontinental Dhaka". Dr. Md. Anwar Hossain Howlader, honorable Secretary of Health Services Division, Ministry of Health and Family Welfare will grace the occasion as the chief guest and Dr. Md. Enamul Haque, DG, HEU will preside over the workshop.

2. You are requested to attend the workshop in time and give your valuable opinion.
